ARRIVAL TO LJUBLJANA

If you are arriving by plane, the options are public bus, shuttle transfer, (we recommend GoOpti, online booking and payment) or taxi (order via app, see the explanation later). More info and links about arrival by plane : <http://www.ljubljana.info/airport/bus/>

If you are arriving by train or bus. Ljubljana Bus Station and Train Station are next to each other

and only 800m (11 min walk) from the hotel (if you booked via registration form).

If you are arriving by car, the closest highway exit is Ljubljana-Center. Ljubljana Vič is possible as well, but usually more during the morning rush hour. Entrance to the faculty by car is from **Jamova cesta**.

The entrance to the faculty has the barrier, you have to ring by pressing the button "Fakulteta". **After** clearing the barrier, **turn left** right before the faculty building and continue 200m to the guest parking (gravel). You will see big billboard advertising ISPA 2017. Walk to the front of the faculty building (front entrance is at the other side of the building).

HOTEL

If you booked the hotel via the registration form, then you are staying in City Hotel. The cost of your stay is paid directly to the hotel.

GETTING AROUND LJUBLJANA

Public transport

For traveling by city public transport (buses), the following brochure has all the info:

http://www.lpp.si/sites/default/files/lpp_si/stran/datoteke/brosura_september_2016_en.pdf

In short you need to get your e-card at the "Urbanomat" green machines at major bus stops, where you also top it with euros. 1.20 EUR buys you 90 minutes of riding time, with unlimited transfers.

Taxi

If you want to use a taxi, we suggest you install local taxi app(s) - there are several independent taxi services and the prices are good, but you have to insist on using a taximeter (most taxi drivers use it without asking).

(0.75 EUR/km + 1.2 EUR start fee) - local organization chair is pretty frequent user of this one.

For taxis, we really suggest you bring cash (Euros) - most taxis don't have credit card payment option. And always preorder them, never hail them off the street.

If you need anything else, do not hesitate to contact me. If you have special needs (disabled, etc) contact me as well.
